

# Road Trip Activity Bag-Space

## Materials List

**Space Snack-** colored fruit puff cereal, round oat cereal, zipper sandwich bag

**Space Blob Capture-**detergent scoop or measuring cup, pom pom, yarn or string

**Starry Night-** black construction paper, foil star stickers

**Meteorites-** foil sheets, paper bag or plastic cup to throw meteorites into

**Moon Rocks-** Moon Dough, plastic zipper bag, modeling tools if not included in kit.

**Space Notes-** Star-shaped sticky notes, pen or crayons.

## Space Activity Card

**Space Snack-** Enjoy your planets (colored ball cereal) and ufos (round oat cereal or fruit loops).

**Space Blob Capture-**Try to capture the space blob (pom pom) in the containment unit (scoop).

**Starry Night-**Attach foil star stickers to black paper. Create your own constellations.

**Meteorites-** Crumple foil to form "meteorites". Wrap smaller balls with more foil to see how big you can make your asteroid. Try to throw the meteorites into your space bag or take turns throwing them at each other at a rest stop.

**Moon Rocks-**Use the Moon Dough to create moon rocks or planets of your own. Store them in the plastic bag when done.

**Space Notes-** Draw aliens on these sticky notes or write a note to mom and dad.
